Letter from CEO

Valued Member,

As we begin 2019, I wish to thank you for your continued loyal patronage to MCCCCU. The past year was the most financially successful year in the Credit Union's storied sixty-five-year history in serving Monroe County and surrounding communities.

In looking back on 2018, many enhancements were added such as: a totally new residential mortgage program, a Hometown Heroes Program for our active and retired military and first -responders, a new website, a new mobile app, and Remote Deposit Capture that allows members to deposit checks 24/7 without making a trip to the Credit Union. There are many membership enhancements planned for 2019, including the offering of new mortgage and credit card products, as well as extensive facility improvements intended to further enhance the "member experience." I wish you all a happy, healthy and prosperous New Year.

Stephen Grech
President & CEO
